HAPPY HOLIDAYS!

It sure is hard to believe the holiday season is upon us!
What a magical time of year to share with our little ones!
This month will be busy here at preschool as we continue learning and growing. We will also be preparing for our Christmas Concert that will take place Dec. 11-13th. Please read your classes' article for your child's specific Christmas Program date! We hope you can join us!

Thanks to all who participated in the Sarris Candy sale.
Sarris Candy orders will be delivered to our school on Dec. 5th. You can start picking up starting at 11:30am on Dec. 5th or you can pick up on your child's school day. This was a very successful fundraiser as our school should profit around \$3,000 and allow us to purchase new supplies, toys, and educational tools for our classrooms.
THANK YOU SO MUCH FOR YOUR SUPPORT!!!!

From our preschool family to yours...we wish you a blessed Christmas and a happy New Year!

TIME FOR TWOS

What a fun and exciting time of year it is for our littlest ones! This month, our 2's class will focus on Christmas as we will engage in musical activities, games, art projects and interactive exploring and learning with their friends, family member, and Mrs. Korey!

One goal we have for this month is to work towards 100% participation from our little ones in story time and art time. As the year progresses, we want our 2's to understand the expectations/rules of school and to participate the best of their ability. This will remain one of our main focuses after Christmas break!

We look forward to a fun time preparing for Christmas with our 2's!

T - CLASS

This month we will be learning about the letters Mm & Hh and the #10. We will also be busy recognizing rhyming words, playing number games, reviewing letters, and writing our names. In circle time, we will count down to Christmas and discuss the Nativity and the first Christmas! Throughout the month we will also make some very special Christmas crafts and practice our songs for our Christmas program. Our **morning class' Christmas program will be on Tuesday, Dec. 11th at 10:45am.** (Continued on page 2)

IMPORTANT REMINDERS:

- Thanks to all who have contributed snacks and drinks to our snack cupboards so far this year. The kids really like to share with their class and we appreciate the donations!!
- In the months to come, please remember that the open lane that connects the upper and lower parking lot should not to be used as a cut-through at drop-off and dismissal times. Please keep this in mind for the safety of all the children and families. The chain will come down for the convenience of the snow plow. Thanks!!!
- We field concerns on a regular basis regarding safety issues in our parking lot. PLEASE, observe caution at all times in the parking lot as a pedestrian and as a driver! Always LOOK before you cross the parking lot and please observe our 5 mph speed limit in your vehicle. Thank you for your help in keeping everyone's safety a top priority!
- When there is inclement weather, please watch the news to see if Bethel Park School District is delayed. If they delay we operate on a modified schedule: AM classes are 10 – 12am and PM classes are 1 – 3pm. We will also announce delays and cancellations on the REMIND APP!
