

REGISTRATION TIME IS HERE!!!

Dear Parents,

It is hard to believe, but registration for the 2023-2024 school year is here!! Registration will open January 9, 2023 for our current preschool/child care families and church members. Please feel free to send in your registration forms and payment between now and January 17th! Registration forms and the required fees are due at the time of registration to secure your child's preschool spot for the 2023-2024 school year. Registration opens to the public (those who are not currently enrolled in our preschool or child care) on January 17, 2023, so send in your registration forms before then! Please see Angela in the preschool office or your child's preschool teacher to help answer any questions you may have about our preschool classes.

Our programs at Bethel Presbyterian Preschool are as follows:

Our **Time for Twos** program (Fridays - 9:30 - 11:30 AM) is usually very popular and will be offered again with our fabulous teacher, Mrs. Kelly Korey! Mrs. Korey is a veteran teacher who has made this program fun with engaging activities and learning experiences for your little one. This program provides time for our 2 year olds to experience what school is all about with their parent, grandparent, or caregiver who joins the class with them!

The **Threes** program (Tuesday and Thursday - two AM sessions and one PM session) focuses on play and socialization as this is the foundation of all future learning that will take place in one's schooling. Our 3 year old teachers truly enjoy teaching the 3's and create a fun learning environment for their students to learn, discover and grow!

The **3-day Fours** program (Monday, Wednesday, & Friday - two AM sessions and one PM session). Our 3-day 4 year class has a Kindergarten readiness focus. Students will learn the skills needed for that next step (Kindergarten) in a fun, nurturing environment. Some of the children in this group are younger and may plan to go on to T-Class the next year, but many will be ready to go on directly to Kindergarten as this class will prepare them for just that!

The **4-day Fours** program (Monday through Thursday - AM session only) To be eligible for this class your child must be an "older 4-year old" who will be turning 4 by April 30, 2023, making them at least 4 yrs. 5 mos. by the start of school next fall. We would prefer a teacher recommendation even if they are old enough. If a student from the community wants to register for this class they should have had at least 1 year of preschool experience. This is a program that utilizes some of the experiences and activities that we now have in our "T" Class program for 5 yr. olds, but it is developmentally appropriate for 4 ½ yr. olds. This class focuses on Kindergarten readiness and will prepare your child for that next step!

The **T-Class** (Monday through Thursday - AM and PM sessions) This is a popular class for students who may have missed the kindergarten cut off or who are in need of more preparation socially, emotionally and/or academically before moving on to kindergarten. We have a limited class size, so if you are considering this for your child, please try to register early.

Curious Kid's Club / Lunch Bunch Our fantastic CKC teachers create fun enrichment activities that provide wonderful learning experiences for their students. Lunch Bunch is offered Monday-Friday from 11:30am-12:30pm and Curious Kids Club from 12:30-3pm. Please indicate your desire on the enclosed form for regular days for next year - the spots go fast so make your commitment early!! Remember - no additional registration fee is required for this class.
